

CONA National Conference 2024

With **COA Conference**

June 12 – 15, 2024

Halifax, Nova Scotia

Save The Date

The conference will take place June 12 - 15, 2024 at the Halifax Convention Centre.

CONA is pleased to announce that we will be partnering again with the Canadian Orthopedic Association (COA) for our 2024 conference. CONA members will have a one day conference (Wednesday) followed by 3 days of COA conference (Thursday - Saturday). We really hope that you will join us!!

COA has a call for abstracts open until November 6, 2023. There is a special category for Care Team submissions so if you have an initiative at your organization that is unique, you may want to submit an abstract.

The CONA call for abstracts for our one day conference will be sent out soon.

So mark your calendars and plan for an informative and exciting conference in Halifax!!

Watch for more information on the CONA Website at: www.cona-nurse.org

Here's what people said about conference 2023 in Calgary:

"Great cross section of information, great speakers - engaging. Great to celebrate nursing roles in ortho continue to enhance and grow collaboratively"

"I traveled and attended this CONA conference because it was a combined conference. I enjoy learning and viewing some of the new medical presentations. I also think it is essential to understanding and improving the communications between physicians and other members of the interdisciplinary team, such as nurses and PT/OT. Help us value and respect the importance of the others professions"

"I found many COA topics relevant to my workplace"
