**Re: Letter of Support for CONA Members**

To whom it may concern,

The Canadian Orthopaedic Association (COA) is pleased to extend this letter of support to members of the Canadian Orthopaedic Nurses Association (CONA) who wish to participate in the 2026 COA Annual Meeting, taking place June 10-13, 2026 in St John's, Newfoundland and Labrador. With the CONA Annual General Meeting scheduled at the same venue on June 10, this year presents an opportunity for orthopaedic nurses to seamlessly extend their stay and engage in the broader national orthopaedic community.

Recognizing the essential role that orthopaedic nurses play in advancing patient care, interdisciplinary collaboration, and systems-wide improvements, the COA is proud to welcome CONA members to the 91<sup>st</sup> Annual Meeting at a preferential rate. This special registration pricing is offered to support professional development, foster deeper integration across the orthopaedic care team, and encourage meaningful participation in the scientific, educational, and networking programming offered throughout the event.

We look forward to welcoming CONA members to St. John's and to strengthening the partnership between our organizations. Your expertise, leadership, and commitment to excellence enrich the national orthopaedic community, and we are delighted to support your involvement in this year's meeting.

Kind regards,

Rebecca Constant  
Manager, Education and Professional Development  
Canadian Orthopaedic Association
