

CNA CERTIFICATION

COMMIT TO EXCELLENCE

LAST CHANCE TO WRITE EXAM

November 2019 is the last opportunity to write an exam to become certified in or renew your certification in orthopaedic nursing. Renewal by continuous learning will continue to be available. Visit the website for more details.

ORTHOPAEDIC NURSING

"Obtaining your certification in orthopaedic nursing demonstrates your dedication to patient care and orthopaedic nursing. This certification will validate your knowledge, skills and commitment to orthopaedic excellence."

Candace Kenyon, RN, BScN, ONC(C)
Past President, Canadian Orthopaedic Nurses Association

Did you know over 150 orthopaedic RNs across Canada now have their national ONC(C) certification designation?

Alberta	57	British Columbia	7
Manitoba	10	New Brunswick.....	17
Newfoundland & Labrador.....	8	Nova Scotia.....	10
Northwest Territories.....	0	Ontario	40
Prince Edward Island	2	Quebec.....	2
Saskatchewan.....	2	Yukon/Nunavut	0

What distinguishes CNA-certified nurses

- Advanced clinical expertise with a commitment to lifelong learning
- Recognized specialty knowledge, authenticated by exacting national standards
- Dedication to evidence-based care and patient safety

What employers of certified nurses are saying about certification

- Confirms an RN's enhanced competency and specialized knowledge
- Helps to recruit and retain the best nurses
- Fosters safe, high-quality care and raises the entire education culture
