BoneAnza 2022

BoneAnza is an Orthopaedic Education Day that gather Orthopaedic Nurses and Allied Health Workers from Calgary and surrounding areas (Red Deer, Lethbridge etc).

It is organized by the Calgary Chinook Chapter, and it is a day of learning, sharing experiences, fun and good door prizes

We (usually) have a good support by our Orthopaedic Surgeons, vendors, and community organizations (Such as Bone and Joint, osteoporosis Canada).

We had our 30th Day this year on October 28(last year cancelled due to COVID) with about 60 in person attendees, 10 vendors and 28 online participants.
